ADVON is a service-disabled, veteran-owned small business (SDVOSB) construction firm headquartered in Tallahassee, Florida.

We have extensive experience with government contracts for horizontal and vertical construction across the country.

Our construction expertise encompasses commercial, institutional, industrial, heavy and civil engineering, marine construction, educational, athletic, research, aerospace, and healthcare facilities.

We understand the need and convenience of the design-bid-build, best value, and design-build delivery methods, and strive to be one of the most efficient companies in the industry.

Our high caliber construction team delivers projects on time, on budget, and with zero incidents. The company and team members' knowledge and experience will provide you with projects meeting and exceeding your expectations.
